

My Favorite Bridge © Ray Keithley

*"To me, photography is an
art of observation.*

*It's about finding something
interesting in an
ordinary place...*

*It has little to do with the
things you see and everything
to do with the way
you see them."*

— Elliott Erwitt

About Us

The Peoria Camera Club was created in 1954 for everyone in the Peoria area who had an interest in photography.

Our mission is to help anyone with a desire to develop their photographic skills through mutual assistance, learning, and encouragement.

The Club offers learning programs, photo competitions with feedback, outings, and more. The Club creates space for shared learning, inspiration, and friendships to flourish.

*Whether you're just getting
started or have years behind
the lens, we're here to learn,
share and grow together.*

Whether you photograph in black & white or color, snap with a smartphone or use the latest gear, there's a place — and a purpose — for your work at the Peoria Camera Club.

We are affiliated with Central Illinois Camera Clubs Association (CICCA).

Meetings

The heart and soul of the Club are the member meetings. Each meeting is a chance to grow—through inspiring presentations, photo challenges, and insights from seasoned photographers. And best of all, you'll connect with others who share your passion.

Composition

Use techniques to draw the viewer in. Learn to envision the image before clicking the shutter button.

Technical Skills

Explore equipment, settings, and shooting methods to achieve your vision.

Programs often include:

Photo Processing

Strengthen your final images through editing tools and software tutorials.

Feedback and Ideas

Club competitions are a great way to receive helpful (and anonymous) feedback on your photos from experienced judges.

Photo Outings

Our photo outings are a chance to step out with fellow photographers and see the world with fresh eyes. Whether we're capturing city architecture or quiet trails in nature, these relaxed meetups are perfect for sharing tips, sparking inspiration, and building friendships—one frame at a time.

Social

Connect beyond the camera at our:

- August Kickoff Picnic
- December Holiday Banquet
- May End-of-Year Banquet

*Be our guest.
Attend a few meetings
and get to know us.*

Improve your Skills

Competitions offer more than recognition and personal feedback—they provide a platform for growth. Many are inspired through seeing how other Club members treat a given subject. They encourage members to hone their technical skills and express their unique creative vision.
